Dear Guests,

Fijewo Manor is a place where you get an opportunity to take an unusual trip in time. The interior of the 19th-century manor combined with a vault of rustic atmosphere, Polish hospitality, and professional services create an alternative for people longing for unique places.

This new world full of flavours and smells will be revealed to you by a Chef Karolina Drozdowska. The Polish and International cuisine served here is prepared from selected, fresh and seasonal.
